SIR

Subject —

I have the honor to state that Mr P Subbarama Chetty, Chairman of the Working Committee, Mysore State Harijan Sevak Sangha applied for the free grant of a site for a Social Service Centre in Channapatna The Municipal Council called for the necessary estima and plan of the building proposed to be constructed and from the particulars furnished it is seen that the proposed building measures 60' x 36' (2160 Sq Ft) estimated to cost Rs 4000/- including the compound wall, etc The free grant of a site measuring 100' x 150' was at first requested but subsequently the Joint Secretary on behal of the Sangha has written to the Municipal President requesting for the grant of a site measuring 108' x 196' instead

The subject having been placed before the Municipal Coun in their meeting held on 6-2-1935, twelve out of 13 members present have unanimously voted for the free grant of a site to the Sangha bu Mr Mumtaz one of the Councillors present has opposed the same and got a dissenting vote recorded on the ground that such a grant is against the sentiments of caste and religion and that in case this i granted the sites which are lying to its right and left will remain undisposed of, the Municipality being thus put to a loss in these hard times of financial stringency

As 12 out of 13 members present are agreeable for the grant of the site prayed for, and as encouragement has to be given i the uplift of Harijan Community the Amildar President is of opinion that the objection raised by Mr Mumtaz is untenable and that the resolution of the Municipal Council may be sanctioned

In these

In these circumstances I recommend that the site measuring 108' x 196' may be granted to the Harijan Sevak Sangha as resolved by the Municipal Council

The entire file of connected records ending with Channapatna Amildar-President's report No 180/34-35 dated 22-2-1935 is herein enclosed for reference and return

I have the honour to be,
S i r,
Your most obedient servant,

J. Armstrong
